Switch Gear Cables are specially designed for Panel Board wiring. Multi strand cables extend very wide area of contact at terminations improving connectivity and minimizing heat generation and risk of fire.

Furthermore, **600/1000V** designation provide superior insulating properties to the entire Panel Board enhancing the value of your products in the hands of your customers..

ISO 9001 : 2000 & 14001 CERTIFIED COMPANY

14th January 2011

Our Vision: To be the Preferred Brand of Electric Cables in the region whilst strengthening the Dominant Position in Sri Lanka.

Directors: U G Madanayake (Chairman), Suren Madanayake (Managing Director), Dr S K Madanayake , Mrs N C Madanayake, Chandra De Silva, Hemantha Perera, Ajit Jayaratne, Daya Wahalatantri, Rajiv Casie Chitty
